Professional Summary

Computer Science (Data Science) undergraduate seeking opportunities in **Machine Learning** and **Software Engineering**. Strong foundation in Data Structures and Algorithms, Programming Concepts, Probability, Statistics, Linear Algebra, and Python programming. Passionate about applying machine learning techniques to solve real-world problems and continuously enhancing technical expertise.

Education

Prasad V Potluri Siddhartha Institute of Technology <i>B.Tech in Computer Science (Data Science), CGPA: 9.25</i>	2024 – 2028 <i>Pursuing</i>
NRI Junior College <i>Intermediate (MPC), 97%</i>	2022 – 2024
KC High School <i>Class X, 98%</i>	2021 – 2022

Technical Skills

Programming Languages: Java, Python, C
Software Engineering: Data Structures and Algorithms, Object-Oriented Programming, Problem Solving
Machine Learning Fundamentals: Machine Learning Basics, Data Analysis, Model Evaluation
Mathematics: Probability, Statistics, Linear Algebra
Frontend Technologies: HTML, CSS, Bootstrap, JavaScript
Tools & Software: Git, GitHub, Microsoft Office, VS Code
Database: DBMS, SQL

Relevant Coursework

- Data Structures and Algorithms
- Database Management Systems
- Data Science
- Probability and Statistics
- Linear Algebra
- Machine Learning Fundamentals

Projects

- Personal Portfolio Website**
- Built a responsive personal portfolio website using HTML, CSS, and JavaScript.
 - Implemented smooth scrolling, dynamic content rendering, and mobile-friendly layouts.
 - Showcased projects, certifications, and technical skills through a clean user interface.

IPL Cricket Statistics Dashboard

- Developed an interactive dashboard to visualize IPL statistics including team standings, highest run scorers, leading wicket takers, and match outcomes.
- Utilized HTML, CSS, Bootstrap, JavaScript, and DOM manipulation to dynamically render cricket data.
- Improved user experience through responsive design and interactive tables.

Certifications

- Salesforce AI Associate Certificate – Salesforce
- Python Essentials – Cisco
- Introduction to Data Science – Cisco
- Problem Solving Using C – BYTS
- Basics of Web Development – GeeksforGeeks
- Introduction to Machine Learning – Cisco

Achievements

- Maintained a CGPA of 9.25 in B.Tech Computer Science (Data Science).
- Actively participated in coding contests and technical quiz competitions.
- Earned certifications in AI, Python, Data Science, and Web Development.

Extra-Curricular Activities

- Participated in college-level technical events, coding contests, and quizzes.
- Collaborated with peers on academic and technical projects.

Strengths

- Hard Working
- Self Motivated
- Quick Learner
- Team Player
